

CITY CLERK
2021 JUN 11 PM 12: 59

Agenda
Sustainable Environment Advisory Committee (SEAC)
St. Joseph, MO
June 16, 2021 3:00 PM

This will be a Zoom meeting set up through the City of St. Joseph.

Welcome and Call to order by Diane Waddell, moderator.
Thanks to Dr. Kim Schutte, staff liaison, for setting up the Zoom call.

Acknowledge May Minutes

Roll call by check-in

Statement of purpose in recognition that we are a part of the Mayor’s Climate Network

This committee comes from a Resolution which states: *Resolved, That the City of Saint Joseph continue to expand on innovative environmental programs to reduce greenhouse gas emissions*

- Goals:** Rethink, Refuse, Reduce, Reuse, Recycle
- Plant and nurture trees and native plants
- Decrease single-use plastics
- Encourage and support businesses which model environmental sustainability
- Decrease greenhouse gas emissions

Old Business:

Green Businesses — Greener St. Joe — Subcommittee currently LuAnn Cadden, Diane Waddell

Greenway Proposal — Kyle Beauchamp [1]

From May discussion: talk with EMS, pilot program, discuss success in other cities

Tree Projects, Prairie Restoration and Native Plantings

- A. Historic Preservation — Dr. Kim Schutte
- B. **Special Remarks — Roger Martin, Landmark Commission**
- C. Water Protection — Stormwater subcommittee, Katie Bruegge, Colleen Armstrong

Mayors for Clean Energy (Ready for 100 Campaign): GEO Team (Green Energy Opportunity Team)

GEO Team includes organizations, academic institutions, community groups and individuals which represent stakeholders. SEAC is represented as well as the City. They meet at 4 PM on the third Monday of the month.

Description: *That the City of St. Joseph will develop incremental goals for 2025-2030-2035 to utilize cleaner energy in areas such as transportation, built environment, housing, and other energy systems.*

Stakeholders would include representatives from City departments, businesses, academic institutions, public health, housing, environmental and low income advocates, utility companies, and members of the community.

This team will be called the GEO Team (Green Energy Opportunity) Team and will be set up through the Sustainable Environment Advisory Committee. Members will work with the Mayor, elected officials, and other city leaders as needed.
