### Notes:

Meeting called to order.

Shablix Jones motioned to approve minutes; Cris Coffman seconded.  
Minutes were approved.

Jason Soper discussed parking tickets; talked about dismissal form; explained that many requests for dismissal were received; if good reasons were given, usually dismissed. He talked about this dismissal process. He then mentioned reasons someone can get ticketed for. Josh asked for clarification of some of the terms; Jason said he would get those.

Next, the mission statement was discussed. Everyone liked the one that was proposed by Shirlee Allen. Cris motioned to adopt it, and Shablrix seconded it; it passed unanimously.

Cris then discussed her questionnaire...everyone liked it and the distribution was discussed. They asked if the City could provide a list of emails for businesses in the downtown; I said I would check, but it appears Mark is still working on that?

The Committee then discussed the comments from the original survey that Andy had provided. Cris would like to see the creative solutions/complaints Andy had mentioned previously.

Josh brought up the possibility of placing the big blue 'P' (parking) signs in the downtown to direct people to the parking facilities.

Josh suggested possibly touring the garages at one of the next meetings.

The next meeting will be March 18, 5PM.
