**(June 11, 2021)
FOR IMMEDIATE RELEASE**

The labor market has remained challenging for employers and has affected many divisions within the organization, including the landfill. The inability to fill numerous positions, along with increased tonnage, has led the landfill to make a temporary change in their hours of operation.

Currently, the landfill is open every Saturday. Beginning next Saturday, June 19, the landfill will be limiting business hours on the weekends and will open only one Saturday per month.

While the schedule will remain the same Monday through Friday, Saturday hours will be limited to the first Saturday of the month. Hours of operation on Saturdays will be 7am – 2pm. As Independence Day falls over the first weekend in July, the Saturday schedule for next month will be July 10. This will be the first Saturday that the landfill will be open.

This temporary change of hours will end as soon as staffing is restored to sufficient levels. For more information, visit the city's website at stjoemo.org or call 816.253.1120.

We apologize for any inconvenience to customers and sincerely appreciate the cooperation and patience of those who do business at the landfill.
