**(January 12, 2022)
FOR IMMEDIATE RELEASE**

As part of the Bonds for Bridges program, the next bridge to begin construction will be the 22nd Street bridge over the Parkway. Beginning Monday, January 24, 22nd Street will be closed between James Street and Douglas Street for the replacement of the bridge over Corby Parkway. Detour routes will be posted.

In addition, the Parkway will continue to be closed from 11th Street to the Northeast/Northwest Parkway intersection north of Corby Pond as work continues in that location. The Parkway closure length will accommodate bridge replacements and continued Corby Pond renovations.

All projects through this section of the Parkway are scheduled to be completed by early summer 2022. Please exercise caution while in work zones to ensure your safety and that of crews working. Thank you for your patience during these projects.
