**(August 2, 2022)
FOR IMMEDIATE RELEASE**

Beginning August 8, Gene Field Road, between Ashland Avenue and Indian Trail Drive, will be closed for bridge replacement over Northeast Parkway. Additionally, Northeast Parkway, from Ashland Avenue to Northwest Parkway, will be closed to through traffic.

Detour routes will be posted. The bridge project and associated roadway work is scheduled to be completed by February 2023.

This project is a part of the Bonds for Bridges Program, a voter-approved \$20 million-dollar general obligation bond, to repair and replace our aging bridges and other transportation infrastructure.

Please exercise caution while in work zones to ensure your safety and that of crews working. Thank you for your patience during these projects.
