

Neighborhood Services Cleanup Program Supplies Checkout Application 2023

This Service is being offered to Neighborhood Associations, and other civic and participating volunteer groups free of charge on behalf of the City of St. Joseph, we applaud your contribution to promote a cleaner and more attractive city for residents and businesses. To participate in this program, fill out this form and return it to the address below at least 10 working days prior to your requested event date. Once your application has been approved a copy will be sent back to you for your records. Appoint someone to pick up supplies. Appoint someone to return supplies within 3 business days after the event. **Pick up is located at City Hall, 1100 Frederick in the lower foyer on the left side in front of the basement door.** The date and time of your application is the time they are available and are expected to be picked up and dropped off. For assistance or aid for individuals returning supplies with mobility issues, please book this request in advance so the city can accommodate. City staff is not available without prior notice and assumes person(s) picking up and returning is able bodied. For any questions or to communicate your needs, email bkuykendall@stjosephmo.gov
