

# PLAYGROUNDS

St. Joseph, Missouri

# PLAYGROUND COMPONENTS

- Overhead Climbers
  - Help build key muscle groups which helps set the stage for lifetime fitness
- Climbers
  - Challenge kids to use their imagination, increase their strength, endurance, and stamina
- Counters
  - Engage children in pretend play and help their develop friendship and imaginative skills
- Pinball & Piston Panel
  - Enhance cognitive development and fine motor skills while driving social and emotional growth
- Play Panels
  - Help children acquire important developmental skills and education
- Motion Play
  - Back and forth, up and down, round and round – motion play challenges children to utilize their strength, coordination, and balance
- Slides
  - Not just fun! They provide a variety of developmental benefits including balance, coordination, problem solving, and cooperation
- Playensemble
  - Making music helps bring a sense of wonder into play. They accelerate development intellectually, socially, and emotionally while also enhancing motor skills, language, and literacy while enhancing both sides of the brain
- Does have ADA-friendly access points, surface, and play stations
