

CLEAN SWEEP

(DUMPING AT THE LANDFILL)

April 1-7 & October 1-7 (normal hours of operation)

City of St. Joseph Landfill
9431 50th Road SE
St. Joseph, MO 64507
(816) 253-1120

The intent of the Clean Sweep program is to assist St. Joseph residents in maintaining their property. This program is not a substitute for regular solid waste collection which is required by City Code Sections: 24-2, 24-4, 24-8, 24-9 and 24-18.

All yard waste, trash, and appliances will be accepted from St. Joseph residents for **two (2) full days a year** free of charge. There is a limit of six passenger tires per day (tires have to be off the rim). Yard waste must be separated from trash. None of the following will be accepted: toxic or hazardous waste, oil, liquid paint, batteries, or tires on rims.

The Clean Sweep program will be the first seven days (1st through the 7th) of April and October each year during normal hours (**Weekdays 7am-4:30pm & Sat 7am-2pm**).

Rules and Regulations

Eligibility for Clean Sweep is based upon city taxes on **personal property** (Look for St. Joseph-Town tax on receipt). Present **personal property** tax receipt and picture ID prior to entering the Landfill. You cannot use real estate tax receipt for the Clean Sweep program.

If you were non-assessed (didn't own a vehicle) you have to obtain a non-assessment card from the Buchanan County assessor's office and present the card along with picture ID prior to entering the Landfill.

Individual(s) using Clean Sweep must notify gate attendant prior to entering the Landfill that they are using the Clean Sweep program. If the gate attendant is not notified, the individual(s) will be charged the normal rate.

Individual(s) using Clean Sweep must be present and have some form of picture ID.

No company vehicles may be used under Clean Sweep operations, even if household materials are being hauled.

Only automobiles, pickups, dual-wheeled pickups and two-wheeled trailers may be used for Clean Sweep. You cannot use four-wheeled trailers, large rental type vans or trucks rated larger than one ton.

Individual(s) may not use multiple vehicles. Example: Using three pickups on one person(s) Clean Sweep.

There will be no refunds because individual(s) did not follow proper procedures, whether it is that day's business or prior day's business.

Individual(s) who have recently divorced will only be allowed to use a Clean Sweep day if their first name is on the tax receipt.
